## JUST-IN-TIME BOOTCAMP COURSES

Whether you are taking your first algebra course, statistics, or a course in-between those, our bootcamp courses will get you ready for success

540 Videos

**ELEMENTARY ALGEBRA BOOTCAMP** CLICK FOR TOC

**Elementary Algebra Bootcamp**  
A Just-in-Time Course

This course will get you ready to take Elementary Algebra in college (or Algebra I in high school). Just 20 lessons and you will be ready for your first algebra class. If you find the course too difficult you can take a detour to the Fractions Mini Camp and then come back to this course.

**INTERMEDIATE ALGEBRA BOOTCAMP** CLICK FOR TOC

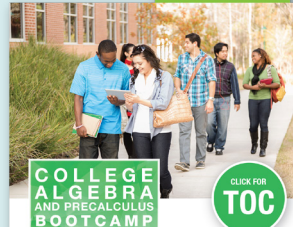

**Intermediate Algebra Bootcamp**  
A Just-in-Time Course

This course will get you ready to take Intermediate Algebra in college (or Algebra II in high school). We review all the important material from Elementary Algebra in just 20 lessons. If you find the course too difficult you can back up to the bootcamp for Elementary Algebra, or the Factoring Mini Camp.
